

NARROW & WIDE BODY UNIVERSAL JACK SETS

FOR MRO FACILITIES AND AIRLINE MAINTENANCE CREWS

Our universal jack sets are designed to provide MRO facilities and commercial airline maintenance crews with the flexibility to support various aircraft platforms while maximizing efficiency and space in their hangars. Perfect for maintaining your mixed Airbus and Boeing fleets, each narrow body and wide body set includes a nose, a tail and two wing jacks. Here's why you'll love them:

SEAMLESS TRANSITION: Effortlessly transition maintenance between Airbus and Boeing aircraft.

SAVE BIG: More affordable than purchasing multiple jack sets and saves hangar space with half the jacks.

EFFICIENCY BOOST: Streamlined and reliable for all your jacking needs.

REDUCED MAINTENANCE: Fewer pieces of equipment to maintain and require spare parts for.

SAFETY FIRST: All of our jacks incorporate safety features to protect operators and aircraft.

**PROUDLY DESIGNED AND
MANUFACTURED IN THE USA**

THE MALABAR ADVANTAGE

All of our jacks are designed, built, and tested to withstand harsh environmental conditions and rugged use. Our customers are guaranteed a quality product with each purchase and are assured of our continued product support whenever and wherever the need arises.

STANDARD FEATURES

- OEM approved and recommended
- Air operated for faster lifting capabilities
- Corrosion-resistant design
- Backed by an industry-leading 3-year warranty
- Manual hand pump with high, medium and low pressure operating positions
- Heavy duty tow handle and swivel casters with swivel locks for improved towing
- Hydraulic "thermal" relief valve for added protection and safety in the event of internal fluid expansion due to temperature
- Secondary cylinder seal for protection against contaminants and to prolong life of primary seal
- Rain hat (covers jack upper head)
- Hard chrome plated cylinder bore
- All unpainted parts are plated to resist corrosion
- Skydrol resistant paint (safety yellow)
- Factory proof load at 150% of rated capacity
- CE compliant

NARROW BODY UNIVERSAL JACK SET

892300

892400

AIRCRAFT APPLICATIONS

Airbus	A318, A319, A320, A321 NEO & CEO
Boeing	B737 100-200, B737 300-500, B737 600-900, B737 MAX

JACK SPECIFICATIONS

1	892300	Nose/Fwd Jack (QTY 1) - 12 Ton Fixed Height Tripod Jack
2	897000	Wing/Main Jacks (QTY 2 Required) - 40 Ton Fixed Height Tripod Jack
3	892400	Tail/Aft Jack (QTY 1) - 12 Ton Fixed Height Tripod Jack
	50P9AR	50 Ton Axle Jack with Auto Retract Feature

WIDE BODY UNIVERSAL JACK SET

876000

891800

AIRCRAFT APPLICATIONS

Airbus	A300, A310, A330-300, A340 200-300, A340 500-600, A350 900-1000
Boeing	B747 100-400, B747-8, B767 200-300, B767-400ER, B777 200-300, B777-300ER, B787

JACK SPECIFICATIONS

1	876000	Nose/Fwd Jack (QTY 1) - 30 Ton Fixed Height Tripod Jack
2	886300	Wing/Main Jacks (QTY 2 Required) - 120 Ton Fixed Height Tripod Jack
3	891800	Tail/Aft Jack (QTY 1) - 60 Ton Fixed Height Tripod Jack
	95P10AR	95 Ton Axle Jack with Auto Retract Feature
	950000-8	110 Ton Axle Jack with Auto Retract Feature (Required for A350-1000)
